Long Pond, PA

Overview

The race weekend consisted of four separate events sanctioned by the Sports Car Club of America (SCCA). The double regional sprint races were held to celebrate the love of racing held by Joe DeLuca and Linda Gronlund; both SCCA NNJR members who were lost on Flight 93 near Shanksville, PA on September 11, 2001.

The weather on Saturday was cold and windy with occasional sprinkles. Sunday was sunny and extremely windy. Workers were in short supply during the entire weekend in every race specialty but particularly so on Sunday which was Mother's Day.

All the Sprint races were 12 laps or 30 minutes, whichever came first. Qualifying for the Sunday Sprints was the position shown on the results of Saturdays Sprint races. Due to a very tight timeline, no hardship qualifying was provided.

The Driving Impressions Pro-IT was the inaugural race for this new series sponsored by Driving Impressions. The race length was 40 minutes. The Pocono 250 Enduro consisted of 2.50 hours of race time. Qualifying for the Enduro was held first thing Sunday Morning.

NNJR provided lunch to workers on both days, a Participants party including dinner was held on Saturday night. Due to the requirement that the track be vacated by 1900 hours on Sunday, no refreshment is provided to workers or competitors on Sunday night.

The following T&S workers were invaluable during the weekend:

Linda Louie, Results Chief
Marie Sheehe, Timing Chief
Barb Killmer, Distribution Chief, Equipment
Bart Carlevaro, Equipment Transportation & Set up Chief
Judy Bloeser, Chief Charter
Meg Meyer, Start/Finish Taper
Shirley Zane, Start/Finish Taper
Marianne Krauss, Taper
Cheryl Boynton, Computer Taper,
Jemma Denmark, Taper
Terry Roberts, Taper/Charter
Jack Oliver, Distribution
Marisa Latinis, taper
Phil Haines, Distribution

The Loop

On April 28, 2006, a group of SCCA NNJR members installed a timing loop to be used with the AMB transponders/decoder.

In previous years, we needed to tape the loop to the track surface using special tape which was purchased from AMB. If the weather was nice, no rain fell and no cars cut the loop, it worked adequately. However May at Pocono often brings poor weather. Additionally, cars with poor suspensions or which were dragging parts would often cut the loop.

Two years after installation, the loop sealant shows signs of lifting and will have to be resealed. It functioned flawlessly this weekend.

Linda Gronlund and Joe DeLuca

Linda Gronlund and Joseph DeLuca were traveling to San Francisco on United Airlines flight 93 when it was hijacked and subsequently crashed in Somerset County, Pennsylvania on September 11, 2001.

Linda was our region's Flag Marshal. She had joined the Sports Car Club of America in June of 1980 while living in Sag Harbor, New York. She quickly became active in SCCA activities at the Bridgehampton Road Race Circuit near her hometown and at other tracks all over the northeast. Linda earned a law degree and worked for several automotive companies over the years. She was on a business trip to the west coast for her employer, BMW North America. Linda and Joe planned to travel and sightsee in northern California after Linda's business purpose had been accomplished.

Joe DeLuca joined our club in January, 1980. In 2001 he was the region's Board Secretary. Previously, and at various times over the years, Joe had been a Trustee, Assistant Regional Executive, Regional Executive, and newsletter editor. Initially Joe's interest in automotive competition was centered on rallying. Joe later was an active participant in Solo II and road racing. He enjoyed driving his Morgan and was the current president of the local Morgan club in New Jersey. Joe was the creator of "[The Adventures of Raymond the Cat](#)," a monthly cartoon feature in the Northern New Jersey Region's newsletter, "[Pole Position](#)." The cartoon is syndicated in many regional publications across the nation. Joe's cartooning was a spotlighted article in the July 2001 issue of SCCA's national publication, "SportsCar." Joe was on vacation from Pfizer Corporation where he was a systems analyst.

Raymond the Cat is featured prominently in all NNJR events and has become a second logo to represent the region.

Active members in SCCA know what these two wonderful individuals knew: SCCA membership brings a friendship, a camaraderie, which borders on being family. The entire SCCA organization feels this loss.
