SCCA National Races

and

NESCCA / Driving Impressions Pro-IT

The event was held at Lime Rock Park in Lakeville, CT on August 1st and 2nd, 2008. The National Races consisted of seven (7) race groups. The sanction number for the National Race is 08-N-223-P. The sanction number for the Pro-IT is 08-R-224-P.

Evergreen Performance Products and Driving Impressions sponsored the races.

Two qualifying sessions for the National races were held on Friday. The results of the morning and afternoon sessions were merged using the Orbits 4 Merge feature to produce final grids. The qualifying session for the Pro-IT was held on Saturday immediately before lunch. The National races were run on Saturday with the Pro-IT race ending the on track activities.

The weather was clear and somewhat hot on Friday. Saturday morning was overcast and some race sessions were run in the rain. Later in the afternoon the rain stopped and the track was dry. NNJR used the Lime Rock "Classic" course which is the traditional race track. The track is newly repaved and was very fast. Numerous class records fell before the rain started and a few new records were set after the track dried.

The races on Saturday ran close to schedule. The seven National races were 30 laps as published with the exception of race group X which was checkered early due to on track incidents..The Pro-IT was a 45 minute timed race.

Timing and Scoring ran a crew of 14 on Friday and 15 on Saturday. Special recognition should go to Barb Killmer NER, Distribution Chief; Judy Bloesser Tri-R, "hot" track Orbits 4 computer operator; Nancy Huber NNJR, Orbits 4 backup computer; Jim Dykman manual scoring team captain; and Bart Carlevaro NNJR, T&S Equipment Chief.
